HISTORIC LEESBURG

Where will the sales appointments take place?

All appointments will take place at the on-site model home located at 305 Runner Stone Court, NW. We are thrilled to share this decorated model home with you and to allow you to see and feel what makes these homes so special.

Is there someone that I can talk to about the homes or the process?

We are thrilled to have Tyler Sutherland as our sales manager for Morven Park Reserve. Tyler is a fantastic resource and will be able to answer your questions. You can reach him via email at tsutherland@urbanpace.com or via phone at [703-502-3236](tel:703-502-3236).

Can I change the exterior of my new home?

The exteriors of the homes cannot be changed. One of the many distinguishing features of Morven Park Reserve is its location within the Town of Leesburg Old & Historic District. To maintain the charm that makes Leesburg such a unique place, each home was individually reviewed by the Town of Leesburg Board of Architectural Review and issued a Certificate of Appropriateness. The result is 13 one-of-a-kind homes that, when finished, will form a cohesive and timeless community.

Can I customize the interior of my new home?

Absolutely! The Certificate of Appropriateness issued by the Town of Leesburg applies only to the exterior of the home so interior is a clean slate for your personal tastes. We offer a vast array of options and upgrades for each home and invite you to meet with our team of professionals who can make your home your own. Timing, however, is critical. By acting quickly, you will maximize your ability to customize your new home's interior.

What is the deposit required when I sign the purchase agreement?

We will collect a deposit in the amount of 5% of the base home price when you sign the purchase agreement. In accordance with Virginia law, this deposit will be held in escrow. Separately, we will collect an options payment equal to 50% of the price of the options you select when you sign the contract or at any later date.

When will I be able to move in?

When a home sells, we will begin construction on that home as soon as possible. From the commencement of construction until the home is ready should be about seven months. Buying a home that is already under construction will shorten that time-frame.

Do I need a pre-qualification letter from a lender?

We strongly encourage you to reach out to one or more of our preferred lenders in advance of your appointment. Their contact information is below. We will not offer any financing contingencies and will require a pre-qualification letter from one of our preferred lenders or from your own lender within 14 days after you enter into a contract to purchase one of our homes.

Is there an incentive for using a preferred lender and title company?

Yes, if you use one of our expert preferred lenders and our preferred title company, you will receive an incentive in the amount of \$15,000 that can be applied to certain closing costs. You can receive more details about this incentive at your sales appointment.

Is there an HOA? If so, what is the monthly assessment?

Yes, there is a homeowners' association at Morven Park Reserve and the monthly assessment for each home is \$190. All homeowners will also pay to the HOA an initial capital fee of \$570 which will be collected at closing.

I have an agent representing me, will you pay my agent any compensation?

We warmly welcome agents that represent our buyers and offer compensation to agents equal to 2% of the base home purchase price. Agents must accompany their clients on the initial visit to qualify to receive any compensation from the Seller.
